Fullstack Web Developer & UI/UX Designer

WORK EXPERIENCE

Hive Group Inc.
2022 - 2024
Full-time

Webmaster

I was responsible for the design, development, maintenance, and updates of both company-owned and client websites. I also specialized in UI/UX design to ensure an optimal user experience for all web visitors.

Ad Entity
2022 - Present
Freelance

Website Developer

I'm responsible for the design, development, maintenance, and updates of both company-owned and client websites. Additionally, I handled brand identity and marketing graphics to ensure a cohesive and impactful visual representation for the brands I worked with.

Downtime Digital
2021 - Present
Freelance

Website Developer

I'm responsible for the design, development, maintenance, and updates of both company-owned and client websites. Additionally, I managed the setup and execution of social media and Google marketing campaigns to enhance online presence and engagement. I also played a key role in crafting brand identity and creating impactful graphic designs to support marketing initiatives.

Support Services Group
2021 - 2022
Full-time

Multimedia Designer

I specialized in creating designs for both global and local platforms. Additionally, I was responsible for website design and development, as well as the maintenance and updates of company-owned websites to ensure a seamless online presence.

Forward BPO
